Innovative technological solutions:

- **SL-shape** – the massaging arms move from the neck to the buttocks, so that they can precisely massage even the most intimate areas
- **Zero Gravity** – the Zero Gravity position of the body makes the massage more enjoyable, bringing a range of relaxing experiences
- **IR heating** – the backrest is heated by infrared rays up to 40 degrees Celsius, which ensures maximum comfort and a blissful massage
- **Airbag massage** – air massage will stimulate blood circulation and relax the muscles in forearms and legs
- **Roller foot massage** - feet are massaged with airbags and rollers, which will relieve tension and provide a pleasant feeling of relief and relaxation.

... moreover:

- **Adaptation to height** – by adjusting the footrest protrusion, you can fit perfectly into the massage chair
- **3 color variants** – a wide range of leather upholstery colours of the new Massaggio Eccellente 2 allows it to suit most interiors.

Owing to its **beautiful design**, it easily blends in with various interiors and constitutes a modern piece of equipment. Extensive massage options make the relaxation in the massage chair **appeal to everyone**.
