

MASSAGGIO ESCLUSIVO

PLEASURE ADVANCES TO A HIGHER LEVEL

Massaggio Esclusivo is an armchair with the most innovative solutions among massage chairs, which will provide unprecedented possibilities of massage and relaxation. Available at the disposal:

6 automatic programs:

- **Demo** - short massage that improves your well-being
- **Relax** - relaxing massage, stimulating blood circulation
- **Arche Releve** - a deep massage relieving sore muscle
- **Comfort** - comfortable massage for all parts of the body
- **Upper body** - a comprehensive massage concentrated on the upper body parts
- **Lower body** - massage relaxing the lower parts of the body

Ponadto:

- **5 massage techniques** - shiatsu, kneading, breaking, patting, synchronous massage (patting with kneading)
- **2 self-composed automatic programs** - create your own individual massage program tailored to your needs. Use it anytime

The possibility of full adjustment of the massage performed:

- **3** levels of massage with air cushions
- **3** levels of width
- **5** speed levels

Innovative solutions:

- **L-shape** - until now the massage was carried to the height of the loins, and thanks to innovative technology, the massage arms reach the buttocks and thighs, which brings sensational experience and greatly improves the effect of relaxation and relaxation
- **Zero Gravity** - a revolutionary function that arranges the body in the ideal position for massage. The NASA-style function relieves muscles, facilitates massage and ultimately enhances the effect of massage and a sense of relaxation
- **Zero Wall** - this function saves space by allowing the massage chair to be brought closer to the wall. When unfolding, the chair will move away from the wall saving the valuable space in the house or apartment

... further additions that add variety to the experience:

- **Heating** - thanks to IR heating in the backrest, the armchair easily massages tense muscles, while providing a very comfortable and cozy feeling of warmth
- **Roller massage** - the rollers placed in the footrests in a completely new, pleasant way and in a much more intensive form will rub your feet, bringing relaxation and lightness
- **Massage of arms and shoulders** - armbags that wrap the arms will bring relief by massaging your hands from your fingertips to the ends of your arms
