

FUJIIRYOKI JP 1000

THE MOST PRESTIGIOUS MODEL OF JAPANESE INVENTOR OF MASSAGE CHAIRS

Fujiiryoki JP1000 perfectly illustrates the perfection and quality offered for years by the Japanese pioneer in the production of massage chairs. Thanks to the comfortably contoured frame of the chair, you will use the massage in a position like to sleep.

Available:

- **21 automatic programs** - choose from a series of predefined massage sessions, relaxing in 30, 16 or 7 minute cycles
- **41 manual techniques** - a range of possibilities ensuring perfect massage even for the most demanding users
- **One-finger control** - the tactile matrix of the control panel allows you to set even the smallest details
- **Air massage throne** - 5-step massage with air cushions will loosen and improve blood circulation

Detailed refined mechanisms from the highest technological shelf:

- **Kiwami Pro** - massage chair effectively removes tension from the entire body, using massage technique based on reaching the internal muscles
- **W-sensor** - your spine will be accurately measured so that the chair can perfectly match the movements of the massage arms to your preferences
- **Leg massage** - applied acupressure systematically relaxes the tension of the feet, bringing the desired relief and lightness in the legs
- **12 levels of massage strength** - thanks to a wide range of massage adjustments, you will adapt it to your needs
- **Stretching** - massage armchair subtly includes airbags arms and legs, dragging the body just like you do after waking up

FUJIIRYŌKI

Comfortable solutions:

- **Shoulder massagers** - stretching massage and shoulder massage have never before been so fit and pleasant
- **3D spatial massage** - a set of sensors and receptors of the massage chair will check the construction of the back, mark the most important points by matching the massage to the shapes of your spine
- **Adaptation to height** - adjustable footrests by 17 cm allow you to provide a comfortable massage for each person
- **Heating** - pleasant warmth in the region of the loins and feet will ensure you an unforgettable experience, especially on cold days

Available colours:

- beige with olive sides
- brown with black sides
- black with olive sides
