

# FUJIIRYOKI JP2000

PRESTIGE AND TECHNOLOGY. A MASSAGE CHAIR THAT WILL LEARN YOUR BODY

**Fujiiryoki 2000** is the most technologically advanced model that embodies the pioneering vision of massage by the Japanese inventor of massage chairs thanks to the Artificial Intelligence algorithm

#### The most important features:

- **23 automatic programs** - choose from a number of predefined massage sessions, relaxing in 30, 16 or 7 minute cycles
- **45 manual programs** - range of possibilities ensuring perfect massage for even the most demanding users
- **One-finger control** - the 4 inch touch matrix control panel will allow you to set even the smallest details
- **Aerial massaging throne** - massage with 31 airbags will relax and improve blood circulation

#### Detailed mechanisms from the highest technological shelf:

- **5D Ai** - Feel the multidimensional, deep and accurate movements of the massage arms, which imitate human hand movements as precisely as never before.
- **Ai Scanning** - Accurately detects the position of the spine, predicts its shape and innovatively adapts the massage to your needs.
- **Roller leg massage** - Unprecedented experience will provide you with a unique roller foot massager, carefully developed by Fujiiryoki engineers.
- **7 levels of massage strength** - thanks to a wide range of massage adjustments you can adapt it to your needs.
- **Stretching** - the massage chair subtly covers the arms and legs with air cushions, dragging the body like you do when you wake up.

### Comfortable solutions:

- **Shoulder massagers** - thanks to the innovative shapes of hand massagers, feel how comfortable and unfettered you can get pleasure from the massage.
- **Sound messages** - instructions for use and greater comfort during a massage will be transmitted via voice messages.
- **Adjustment to the height** - adjustable footrest extension by 17 cm will ensure a comfortable massage for every person.
- **2-sided heating** - gently warm the waist area or use from an unprecedented option in massage chairs and direct heating to the abdomen.

### Available colours:

- beige
- brown
- black
