

MASSAGGIO RICCO

DOUBLE THE JOY OF A MASSAGE

Massaggio Ricco, which at first glance seems small, is a massage chair that surprises with a deeply relaxing massage. It is a perfect combination of modern functions and space saving.

4 automatic programs:

- **Auto I** - massage relieving sore muscles, whole body massage
- **Auto II** - relaxing massage concentrated on the neck and back
- **Auto III** - relaxing massage focused on the waist, buttocks and thighs
- **Demo** - a short massage to improve well-being

The massage chair is at your disposal:

- **3 massage techniques** - kneading, patting, kneading with pats
- Possibility to **choose body massage range** - massage chair allows you to choose a single massage technique and manually change the position of massage arms, thanks to which it is possible to direct them exactly to the place that needs to be massaged and relaxed.
- **2 sets of massage arms**

Adjustment of the range:

- **3 levels of airbag massage intensity**
- **3 levels of massage speed**

And more than that:

- **SL-shape** - a technology that allows you to massage over an extended distance from the neck to the buttocks.
- **Airbag massage** - perfectly removes tension and improves blood circulation, adjustable in 3 levels of pressure intensity.
- **2 massage mechanisms** - the first with heating, responsible for the massage of the neck and shoulders, the second, with a set of 4 massage balls, massages the back.
- **Bluetooth Speakers** - allow you to play music on integrated speakers from your device.
- **Retractable footrest** - a discreet, rotating footrest gives you the choice of comfortable support or airbag leg massage.

Two colour versions to choose from:

- classic black
- beige to black combination

To sum up, Massaggio Ricco offers a **relaxing massage** with the latest technology while maintaining a **compact shape**.
